PROFILE

24-year-old IT graduate from UWTSD with an international educational background. Skilled in Python, web development, graphic design, video editing and digital content creation. Creative, reliable and confident working with people, with experience in sales, customer service and team coordination. Fluent in Romanian and Russian, with good English communication skills.

WORK EXPERIENCE

Waiter 2025-2026
74 Charlotte Street, London

- Provided customer service, handled cash and sales, managed difficult customer situations and was trusted with closing the restaurant. Also supported the restaurant's online promotion through Instagram, menu design and promotional ideas.

Student Support Assistant 2023-2026
University

- Supported fellow university students who experienced difficulties understanding or completing assigned tasks. Helped explain requirements, provided guidance, and assisted students in finding practical solutions to academic and technical tasks.

Freelance Digital Creator & Online Entrepreneur 2020-2026
Self-Employed

- Provided freelance services including presentation and report creation, video editing, photo editing and graphic design. Developed a game from scratch using Python and completed various gaming-related projects. Promoted services through Patreon and other online platforms, building an audience of 2,800+ subscribers and generating passive income through digital content and services.
